**STATEMENT OF MICHAEL B. LACHUK IN SUPPORT OF RENEWED PETITION
FOR REVIVAL OF APPLICATION FOR PATENT ABANDONED
UNINTENTIONALLY UNDER 37 CFR § 1.137(b)**

I, Michael B. Lachuk, declare as follows:

1. At all times relevant, I served as Science Application International Corporation's ("SAIC") Senior Intellectual Property Counsel and have personal knowledge of the statements set forth below.
2. I am the in-house counsel at SAIC responsible for the supervision of all patent, copyright and trademark prosecution and protection that is undertaken on behalf of SAIC.
3. Dr. David Stenger is an employee of the United States Government. I am informed and believe that Dr. Stenger's inventive contribution to the above-referenced application was made in the performance of a contract between SAIC and the United States Government. I am further informed and believe that Dr. Stenger had and still has an obligation to assign to the United States Government his ownership interest in any inventions conceived or first actually reduced to practice during the course of his performance on this Government contract.
4. Pursuant to the standard intellectual property provisions of this Government contract, SAIC has the right to prosecute and pursue an application for a patent for this invention on behalf of itself and the United States Government, subject to the Government retaining an undivided co-ownership interest in any resulting letters patent.

The undersigned, being hereby warned that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001, and that such willful false statement may jeopardize the validity of this document, declares that he/she is properly authorized to execute this document on behalf of the owner; and all statements made of his/her

own knowledge are true and that all statements made on information and belief are believed to be true.

Executed this 8 day of February, 2002.
